Reliable Butterfly- and Check Valves for various applications

We have currently extended our stock portfolio by Butterfly Valves, so-called Quarter-Turn Valves as well as Check Valves for the "General Utility" sector from our proven manufacturer GHIBSON.

GHIBSON, with its production site in Northern Italy, has many years of expertise as a manufacturer of Butterfly and Swing Check Valves for many industrial sectors. The wide variety of materials used in this segment is particularly highlighted. In addition, GHIBSON specializes in the manufacture of a wide range of actuators. The family owned, medium-sized company is characterized by reliability, flexibility and a high quality standard.

Today we would like to present our current stock range of Butterfly- and Check Valves as well as Disc-Type Non-return Valves.

You will find the exact specifications in the summary below.

GHIBSON has all certificates such as DGRL 2014/68/EU, ATEX 2014/34/EU, DVGW-Gas, TA-Luft 2002/VDI2440 as well as ISO 15848-1 (BH) for the High-Performance Butterfly Valves.

Application

Main applications of these Valves are medias in the fields of oil and gas, petrochemical, chemical and power plant applications. However, these valves are also suitable for the use in other industries such as district heating as well as mechanical Engineering – EPC business.

General information

Body	Ducil iron, A105, SS 316
Disc	Stainless steel
seat	EPDM, Buna, Viton, PTFE

Butterfly Valve (soft seated)

Size range	DN 40 – DN 400/1.5" – 16"
Pressure class	PN 10 – PN 16/150#
Face to face	EN 558. series 20/API 609

Check Valve

Size range	DN 40 – DN 200/1.5" – 8"
Pressure class	PN 10 – PN 40/150# – 300#
Face to face	EN 558, series 97

Check Valve (disc type)

Size range	DN 15 – DN 100/1/2" – 4"
Pressure class	PN 10 – PN 40/150# - 300#
Face to face	EN 558, series 49

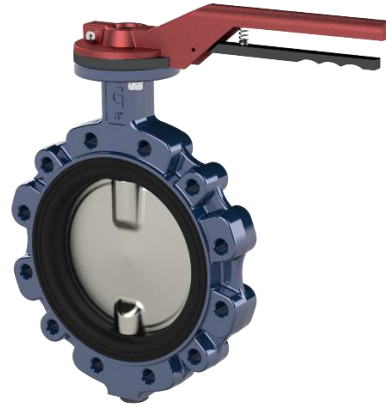

Approvals

PED 2014/68/EU
ATEX 2014/34/EU
DVGW Gas
SIL 3

TA-Luft 2002/VDI2440
FE ISO 158848-1 Class BH
Bureau Veritas
DNV Type Approval

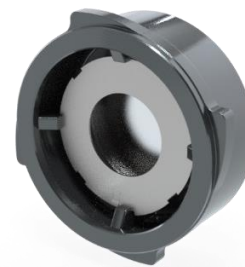

Butterfly Valve BVTT

Butterfly Valve BLKI

Swing Check Valve GS

Check Valve (Disc type) GB15

About AVA:

AVA has been the leading wholesale supplier of industrial valves according to DIN- and ASME standard in Europe since 48 years. As an exclusive partner of manufacturers around the world for many years, we supply our customers in the chemical, petrochemical, Power industries sector and mechanical engineering industries with industrial valves at four sales and warehouse locations in Germany, the Netherlands and Great Britain at short notice.
